SAFE

WALL SAFES

SOCKET SAFE STW

Model STW 1

HANDLING

Remove the dummy socket that is fastened with a snap lock. Open the lock and pull out the middle drawer. One after the other, bring the two side drawers to the middle position and remove them. Take out the base plate. It is inserted in the reverse order.

Only the dummy socket is visible when the safe is closed. The central and side drawers are easy to remove. This safe is especially suitable for jewellery. Space is available for cash, saving books, cheques, passports etc, after the base plate has been removed no accessories for this safe.

DESIGN

Body: 2 mm thick from high quality steel

LOCKING

Socket dummy with snap lock, Middle drawer with a double-bit high security lock with 7 tumblers
2 keys (58 mm)

PAINTING

Light gray, RAL 7035
(special painting according to RAL colors for an extra charge)
